28th August 2023

Dear Parents,

Please note that there is a strict no mobile phones policy in our school vis-a-vis students.

No student is allowed to carry a mobile phone to school unless it is requested by the parents via a parent written note to the Class Teacher. In such cases the phone is to be switched off & handed to the Class Teacher & taken back for use only when the last period of the day is over.

Anyone breaking the above rule will have the phone confiscated and the phone will not be returned.
