Sub : - Revision of Late fee charges

Dear Parent,

This is to inform you that school has decided to revise the late payment charges w.e.f 01.12.2023. The last date of depositing the fee is 10th day of every month. After the lapse of due date of fee, late fee will be charged as Rs. 100/- till 15th and Rs. 200/- till end of that month. Thereafter, Rs. 500/- each will be charged for next two months. If the school fee is not paid by the end of third month, the school shall "struck off" the student's name from the school rolls after intimating parents. The case may, however, be considered for Re-admission, on written request from the parent along with the payment of all the dues, late fine and Re-admission fee.
