*Mrs. Usha Chopra
Founder Principal Director*

Message from the Director's Desk

Annual function is not just a celebration of our students' achievements but also a reflection of our commitment to nurturing the leaders of tomorrow.

As the Director of this esteemed institution, I am filled with pride and gratitude for the relentless efforts put in by our entire school community - our teachers, support staff, parents, and, of course, our brilliant students. The annual function is a time when we come together to appreciate and applaud the remarkable talents and achievements of our students. It is a day of celebration, not only for the academic achievements but also for the creativity, sportsmanship, and cultural diversity that make our school unique.

Let us remember that education is not just about acquiring knowledge; it's about instilling values, fostering creativity, and nurturing responsible citizens of the world. Our students are not just future professionals; they are future leaders who will shape the destiny of our nation.

Our students are like stars in the vast sky, each shining in their own way, and it's heartening to see the multifaceted brilliance they exhibit. They have not only excelled in academics but have also proved themselves in sports, arts, and other extracurricular activities. Their dedication and hard work are truly commendable.

I urge our students to continue their journey with the same enthusiasm, perseverance, and dedication that has brought them this far. Aim high, dream big, and never cease to learn and grow.

I would like to thank each one of you for being a part of our school's success story. Let us continue to work together to make our institution a shining beacon of excellence.

God Bless

Message from the Principal's Desk

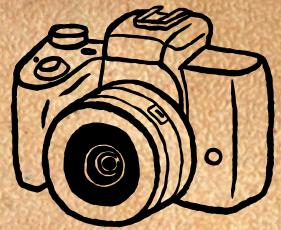

It gives me immense pleasure to have the children of our school showcase the teachings of Kabir Das the renowned Sufi saint. His teachings of love and brotherhood are even more relevant today than they were more than 700 years ago during his lifetime .

I hope our children can become emissaries of good will and peace as they grow up and take their rightful place in society .

I congratulate the teachers and all performers and stakeholders in this wonderful stage show .

*Regards,
Principal*

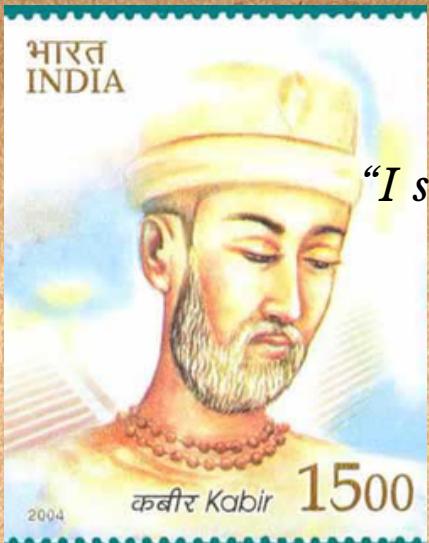

GLIMPSES: THE PRESENTATION

The theme ‘Kabir Das’ was met with equal parts intrigue and confusion. The students and teachers had obviously heard of Kabir, but in the age of hip hop music and action films, it sounded like an uphill battle. The challenges were many. First to understand Kabir Das and his relevance and further to translate it into a full fledged show.

While the task was daunting, it turned out to be equally fulfilling. Through the practices, the students and teachers alike made a new friend, Kabir Das. Soon enough, the spirit of Kabir began to reverberate in everyone’s thoughts, words and actions. The presentation, is a curation of this magnificent journey of knowing Kabir and discovering the many joys of discerning his wisdom and reservoir of knowledge.

of the blind"*

-Kabir Das

KATHGHARE MAIN KABIR

The name 'Kabir Das' is deeply etched in India's collective consciousness. His teachings have been an indelible piece of our childhood, but in this modern malaise he is no more than a time-worn name relegated to old books and philosophical scriptures. The play, 'Katghare Main Kabir' venture's into Kabir Das' life and ideologies with a contemporary lens. It is journey, that begins with questioning Kabir's identity completing a full circle as the audience is left questioning the self.

The production foregrounds the magic of Kabir and makes us marvel at his ideological relevance in the 21st century.
